CHANGE TO AFTERNOON STUDENT PICK UP

Concerns have been raised about student safety when being picked up from the front of the college at the end of lessons at 4pm.

You are asked to pick up students either in the carpark at the side of the Hawk Theatre or in Green Street STARTING IMMEDIATELY.

WELCOME TO 2015

Welcome to those students new to Narrabundah College and to the returning Year 12 students: I hope you have a most successful year.

I wish to celebrate the success of our 2014 Cohort:

- our top score was 99.9
- 17 students attained an ATAR over 99
- 88 students attained an ATAR over 95
- 149 students attained an ATAR over 90
- 275 students attained an ATAR over 80
- 370 students attained an ATAR over 65
- The top IB score of 42 was equal to an ATAR of 99.25
- The average IB score of 34 was equal to an ATAR of 91.35
- 90% of our students of our students attained an ATAR over 65
- 413 our students attained an ATAR
- All data above includes French Baccalauréat results
- Our median ATAR of students who completed the ACT system was:85.05

The new year has indeed begun well with the Year 11 students settling into the college routine very quickly and successfully. While the year 12s are clearly focused on building on their efforts from last year ensuring they will attain the best results possible to take them onto their post college pathways.

Students need to make the most of opportunities on offer to achieve the very best outcomes they can at this college. These include:

- English and Maths tutorials during school time
- Study Hub on Mondays and Wednesdays from 4-5.30 where students do have the opportunity to complete homework under the supervision of teachers from all subject areas and with student mentors (both current and past students). Also the Study Hub runs targeted programs throughout the year including: study skills, time management, essay writing support, how to reference written work, how to develop a creative response with rationale, lab reports, maths assignments, Psychology reports etc.
- Preparing for and spending plenty of time on assessment tasks.
- Accessing your Student ibook regularly to support study skills.
- Seeking advice on courses, packages and careers from their class teachers and Student Advisers.
- Embracing our Curriculum of Giving and getting involved in a wide range of activities within the college and further afield including; Student Governance Group, Peer Ed, Debating volunteering, sport, outdoor ed etc.

My advice to our students is: Invest in yourself, invest in your own skills and you will have the highest return (Chris Richardson Deloitte Access Economics).

CAREERS OPTIONS

In speaking to students since the beginning of this year many clearly do know what career they want to pursue and are focused on achieving the results to get there; however others are not at all sure what they want to do post college. My advice to all students is to make the most of all opportunities concerning careers while at college and do at least one work experience placement as well as connect with the Student Services’ Advisers regularly. Please access our Facebook page on the college Website for more information on Careers.
FACEBOOK

Don’t forget that we do have a Facebook page for our community to access. Please go onto the website and click onto the icon to access this page. You will find up-to-date information on events and successes at the college. We look forward to your feedback.

INFORMATION EVENING FOR YEAR 11 STUDENTS

A large number of parents and students attended last Tuesday night's Information Evening for Year 11 students. During the course of the evening we ran small groups where information was presented regarding college terms and expectations, and lots of questions were asked. Please continue to access such events including the Parent Teacher Afternoon on 30 April where you will have the opportunity to meet all your son/daughter’s teachers.

STUDENT SUPPORT FUNDS

The ACT Government has provided the college with some funds to assist those students and families in financial need to provide for some of their education costs. If a student wishes to access the Student Support Fund please come and see me. It is important that every student feels he/she is able to benefit from the range of curricula and extra-curricular activities by the college.

STUDENT SUCCESSES

I would like to take this opportunity to congratulate several of our students for recent achievements:

- Jack in year 11 has been invited to participate in the Maths Olympiad.
- Jenny in year 12 was selected to attend the National Mathematics Summer School in January.
- Nick in year 12 has been selected from 4000 students from around Australia as one of 120 student delegates to take part in the 20th National Schools’ Constitutional Convention to be held here in March.
- Ben in year 12 will swim the English Channel in August and will be the 2nd youngest Australian and first Narrabundah College student to do this.
- Dohei has won a CWA scholarship.
- Jeremy in year 11 has been selected to represent the ACT in the Australian Junior Athletics Championships.

Here is more information about our 2014 achievements:

- 470 students gained an ACT Year 12 Certificate and of those 413 gained an ATAR.
- 35 students completed the first unit towards an undergraduate degree at the ANU Secondary College and 34 of these students received offers in the Bachelor of Philosophy (Honours), 7 Bachelor of Asia Pacific Studies, 17 Bachelor of Science and 9 Bachelor of Science (Advanced) Honours.
- 61 students gained nationally recognised Vocational Certificates and 147 Statements of Attainment were issued.

- 26 students gained the International Baccalaureate.
- 12 students gained their French Baccalauréat Diploma and for the second time, 3 students performed at a very high level attaining an ATAR equivalent of over 99.

Narrabundah students were ACT Champions in: mixed netball, badminton, table tennis (Boys” Doubles and skiing and snowboarding; and in leadership activities, community connections and especially debating where our students were finalists in the Douse Trophy and the UN Youth Forum to name a few.

NEW STAFF

Finally I would like to welcome the following new staff to the college: Celia Bazalar and Sophie Burton to Languages, Megan Cartwright and Emma Wood to English and Drama, Glenn Stretton to Arts, Bongiwe Tabi to Science and Glenda Nimmo has returned to our Student Services Team.

P&C

This is a reminder that the Annual General Meeting will take place on Wednesday May 4th at 6.30pm in the Common Room followed by the first P&C Meeting of the year.

Everyone is welcome.

I look forward to working with you over the course of this year.

Kerrie Grundy
Principal

ACTION BUS SERVICE NOTICE:

Morning service from Woden

All school students are asked to catch the 8.30am Bus 863 (school bus service)
not the Route 5 bus (general public)

Autumn Concert

presented by the Music Department
At: Narrabundah College
Date: Wednesday 18 March
Time: 7.00pm

NSW 2015 Senior Secondary Student Concession Cards for travel at child/concession fare on NSW rail (Canberra to Sydney)
Concession card passes available at Reception
Must produce ID card
Year 11 and Year 12 Parent Teacher Interviews

We invite you to attend a Parent Teacher interview on Thursday 30 April from 4.30pm till 7.30pm. The interview bookings system will be available on the college website from Tuesday 31 March 2015.

Staff Information
The following staff members will be not available for the parent teacher interviews as they will be on long service leave:
Emma Kelly
Carol Green
Mary Woodhouse

Two Student Services team members will be available in the student services area from 4.30 – 7.30 pm:
Delisia Wild
Caroline Dawson

The other Student Services team members will be available for subject interviews in the gym from 4.30pm to 5.55pm and would then be available in the student services area from 6pm – 7.30pm:
Julie Bauer
Birgit Matwijiw
Andrea Trappes

You are able to make a booking on the Parent Teacher Online Booking system; PTO available on the college website (http://www.narrabundahc.act.edu.au/home).

All parents will need a PIN number to access this system. You will need to request your PIN number via email as follows:
1. Access the college website (www.narrabundahc.act.edu.au)
2. Use the link for “PTO” to gain access to the login page of the online booking system.
3. Click on the “Obtain PIN/Password”. Enter your surname, then in the next space type in the current email address that you have supplied to the College. Your PIN will then be forwarded to you via email.

Once you have received your PIN, you then return to the LOGIN screen, type in your Surname, then your PIN number. You will then have access to all the times available for you to book a time.

If you don’t have access to a computer or have any problems accessing your PIN (you may have changed your email address) please call the Narrabundah Office on 61423201 from 1 April to 10 April or 28 April to 29 April for assistance.

Archana Aggarwal
SLC Certification and IT
Narrabundah College

STUDENT SERVICES NEWS

The new school year has started and students seem to be settling in very well. Each student has an identified adviser, depending on their surname, who will be an essential contact over the two years for checking progress, explaining packages, monitoring attendance, coordinating leadership and community service opportunities, arranging work experience, helping with career and post Year 12 options or just for advice.

TELEPHONE NUMBERS Reception 614 23200

Student Advisor and Student Surname Alphabet:

Julie Bauer  Student Surnames A-F  614 23219
julie.bauer@ed.act.edu.au
Andrea Trappes  Student Surnames G-L  614 23215
andrea.trappes@ed.act.edu.au
Birgit Matwijiw  Student Surnames M-Sm  614 23216
birgit.matwijiw@ed.act.edu.au
Delisia Wild  Student Surnames Sn-Z  614 23220
delisia.wild@ed.act.edu.au
Caroline Dawson – School Counsellor  614 23200
caroline.dawson@ed.act.edu.au
Glenda Nimmo – Careers/Transition/WEX  614 23218
glenda.nimmo@ed.act.edu.au
Mary Weddell – Learning Support  614 23226
mary.weddell@ed.act.edu.au
Jenny Budd – Deputy Principal (students)  614 23207
jenny.budd@ed.act.edu.au

Students and/or their parents are welcome to make an appointment with any of our team. Students can see their adviser by just dropping into the area when they have a free line or by making an appointment by writing their name on the timetables on their adviser’s door. Parents can also telephone the relevant adviser for an appointment. Each adviser would like to meet Year 11 and Year 12 students in their section of the alphabet sometime during this first session – just book in on our doors on a free line.

Students are reminded to keep a close check on absences. Parents do not need to email into the college on the day their son or daughter is absent. The section of the ibook explaining absence procedures follows:

1  All absences from class must be explained within one week of your return to College. Students needing to miss classes during the day for appointments must provide documentary evidence. Reasons such as studying for another subject are not acceptable.

2  For absences of half a day to three days a note from parent/guardian or doctor’s certificate is required. For four days or longer periods of absence a doctor’s certificate is necessary. On every document, ensure that your full name, year, ID number and date/week of absence/s are given.

3  If you are absent for any assessment item a medical certificate is required.
All absences require legitimate reasons which may or may not be approved. Note that if reasons are not deemed legitimate a student may still not be assessed due to BSSS policy of course requirements not met.

Collect an Absence Note from the advisers’ area, fill in all the details, attach any documentation (ie note signed by parent/guardian or doctor’s certificate) and place the form with attached documentation in the absentee box located outside the Advisers’ area.

Always let your teachers know the reasons for absences. Explaining your absences will be important if you are seeking special consideration for assessment.

Find out from your teacher what work you may have missed - it is your responsibility to catch up.

Students attending excursions should let their teachers know in advance.

NOTE: Absences are checked on a weekly basis. Your parent/guardian will be contacted regarding repeated unexplained absences, or if your attendance falls below 90%, that is more than 3 unexplained absences in Session 1 and 3 and more than 6 unexplained absences in Session 2.

The ACT Board of Senior Secondary Studies has a strict attendance policy and too many unexplained absences will result in voiding a subject (V grade). Parents are asked to provide a note explaining the absence that the student brings on the day of their return to college. They fill out the form outside Student Services, attach the note and place the forms in the attendance box. Absences will not be corrected until this happens.

In cases of extended absences or when major assessments are missed, medical certificates must be provided. Students who are planning to be absent from college for an extended period must seek approval for leave well before their planned absence from the Principal or Deputy Principal. Leave forms can be obtained from Jenny Budd (Deputy Principal). A full listing of the school procedures, including absences, is contained in the Student iBook which has been provided to each student and is on the college website. Please make yourself familiar with all the information in this publication.

We would like to say a big thank you to the Peer Education Team for their work with the Year 11 transition.

NARRABUNDAH COLLEGE STUDY SUPPORT 2015

The following learning and study support services are available for all students:

- Study Hub: Mondays and Wednesdays 4.00 – 5.30pm in the library. Assistance from teachers and some peer tutoring available for all subject areas.
- Study skills and ‘well-being’: short sessions at the beginning of Study Hub - Mondays
- Regular sessions for English essay writing and critical reading will be held at Study Hub on Mondays 4.00-5.00pm and Thursdays 2.00-3.00pm in the library. (Alternatively see Hilary Brettell for other times)
- Maths tutorials - Monday and Tuesday lunchtimes – S12

Students are also advised to:

- Consult the class teacher if unsure what an assessment task involves.
- Ask questions if there is any difficulty understanding information - others will be grateful!
- Read and refer often to the English Faculty Handbook. This includes guidelines and checklists for crafting and presenting all forms of the required assessment tasks.
- Use the Student iBook as a ‘cross-college’ assignment resource. This highlights a range of information from library resources and websites to help with study skills, to essay writing tips and information about written assessment requirements from all faculties including general report writing and science practicals.
• Use the ‘drafting’ process offered by English/History and Humanities to gain valuable feedback on structure and writing skills.
• Inform the counsellor or student adviser about any personal, physical or learning difficulties – additional support may be available.

LIBRARY OPENING HOURS and STUDENT STUDY HUB

Two afternoons a week the library has extended the opening times until 5.30pm. This may help some students who are collected from the college after hours. Each day borrowing and returning will be available from 8.00am – 4.00pm. The timetable is:

<table>
<thead>
<tr>
<th>Day</th>
<th>Opening Times</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday</td>
<td>8.00am – 5.30pm</td>
</tr>
<tr>
<td>Tuesday</td>
<td>8.00am – 4.00pm</td>
</tr>
<tr>
<td>Wednesday</td>
<td>8.00am – 5.30pm</td>
</tr>
<tr>
<td>Thursday</td>
<td>8.00am – 4.00pm</td>
</tr>
<tr>
<td>Friday</td>
<td>8.00am – 4.00pm</td>
</tr>
</tbody>
</table>

For the Monday and Wednesday afternoons (4.00pm – 5.30pm):
• Library can be used (computers and seating) as a study space.
• Tutorial assistance will be available in certain areas each week (a maths teacher will always be available).

Delisia Wild, Student Services

TRANSITION AND CAREERS

WORK EXPERIENCE (WEX) is now open for applications for 7-10 April and will close on Tuesday 10 March. Students at Narrabundah are advised to complete several Work Experience placements during their two years at college. WEX provides valuable insights into careers and contacts can be made through WEX which may prove useful for future job opportunities. Some tertiary courses give preference to students with relevant work experience and don’t forget the points gained may come in handy towards your Year 12 Certificate. In the past we have found that many students obtain part time and casual work as a direct result of participating in WEX.

To find WEX opportunities, students can use the supplied databases or find new hosts through their own contacts. Employers in both the ACT and NSW are accessible. Other states are not possible as reciprocal arrangements are not in place.

Students make the initial contact with the host employer and if successful in their negotiations, submit a completed WEX form to Glenda Nimmo or Julie Bauer. Guidance regarding the WEX process and contacting employers is available for students. The Transition and careers Office is located next door to the Library. On receipt of completed application forms, contracts, confirmation letters and insurance are organised. As this process is with the Education and Training Directorate, late applications after the closing date cannot be accepted. Work Experience in the school holidays is only allowed in exceptional circumstances as supervision by the College cannot be guaranteed.

Other WEX dates this year are
7 - 11 Sept., Yr 11 and 12
30 Nov - 4 Dec., Yr 11 only

Any questions see Glenda, Transitions and Careers Officer or Julie, Student Adviser.

We constantly receive careers information in the Transitions and Careers Office. This is displayed outside the office and on boards in the A block corridor. Students are advised to check these noticeboards regularly.

Currently displayed is information regarding the following opportunities:
Charles Sturt - MYDAY experience (university for a day)
University of Melbourne – Veterinary and Agriculture Information Day – Workshop with Julliard Jazz School
University of Canberra - Big Day In - IT
ANU – Girls in ICT Construction Industry opportunities
Careers Gap Years / Volunteering
Australian Defence Force – Careers information sessions, Gap Year information, Cadets

Career information may also be found the Career page on the Narrabundah College Facebook site. https://www.facebook.com/#!/pages/Careers/61061538287848

MHS CAREERS

Everyone connected to our college can access www.mhscareers.com to view the news pages on the website or to sign up for email alerts: This site/newsletter contains much up to date information regarding opens days, new courses, competitions and other tertiary institution updates.

To view the news pages and calendar on the website: Login with either: “student”, “parent”, “ca” or “other” Password: 14cairns

Glenda Nimmo, Transition and Careers

INTERNATIONAL BACCALAUREATE NEWS

The International Baccalaureate year began on a high note as we celebrated our 2014 students receiving their diplomas at the IB Presentation Evening on the 11th February. We had 24 students gaining the IB Diploma this year. Congratulations to all of these students on their very fine achievements.
The dux of the IB was Frank Feng, receiving a score of 42 points (99.25).

Two students who scored a total of 40 points or above were awarded Certificates of Distinction. Certificates of Merit were awarded to 12 students who gained a perfect score of 7 in any one subject, or an A grade in either TOK or their Extended Essay. The average score for the cohort was 34, which has a UAI conversion rate of 91.35.

**YEAR 12 NEWS**

As this is the beginning of your last year, I need to remind students that they need to regularly enter journal reflections in Bacpoint for their CAS program. A draft of the Extended Essay should be near completion and feedback from the supervisor needs to have occurred. Please advise Christine Ward of the title of the essay and the supervisor’s name.

TOK orals will be assessed on the 12th March.

Year 12 International Baccalaureate Parent Information Meeting for current Yr. 12 students will be held March 12th 5.30-6.30pm.

**YEAR 11 NEWS**

By the time you read this newsletter, students have attended the introductory IB Induction day. This is an invaluable sharing time where students get to know each other, receive information about specific subject areas and concentrate on particular features of the Diploma Program.

Christine Ward, IB Coordinator

---

**MATHS AND IT NEWS**

On behalf of all the Maths and IT teachers I welcome back our year 12 and extend a warm welcome to the year 11 students. Over your time at the college, you will meet some challenging ideas and be exposed to new ways of thinking and communicating. We hope that this is the beginning of an exciting journey for you!

**GENERAL INFORMATION:**

- All students in Maths and IT classes should have received their unit outlines by now. Students should see their teacher if they have not got a copy.
- All classes are well underway in their work with several units already having completed assignment tasks. If year 11 students in particular are unsure of the standard required for assignments, then they should approach their teacher for advice and assistance.
- There is an expectation that students complete homework exercises and general study in order to consolidate their learning. Students should be spending a minimum of 30 minutes on homework for every 1 hour lesson, which equates to 2 hours of homework per week (or 4 hours if they are studying Specialist Options and Core).
- All students studying Specialist Maths and Maths Methods are required to have a graphics calculator. Students who do not yet have a graphics calculator should come and see me in the staffroom. These calculators are used extensively in all Specialist Maths and Maths Methods units and students without them will be at a disadvantage in both their skill development and assessment tasks.

**EXCURSIONS**

- A group of Year 12 Options students interested in a career in Mathematics or Physics have attended an excursion at the Defence Information Security Hub on February 25th. Students worked on some challenging problems with Mathematicians and got a chance to discuss the career paths of the Mathematicians. An opportunity may be open to other students in Yr 11 and 12 later in the year to attend this excursion. If students are interested they should see me in the Maths staffroom.
- A reminder for Specialist Year 12 students to put 5th-6th May in their calendar for the Wombeyan Caves excursion. Students will have fun in a different environment doing problem solving tasks similar to those encountered at the ANU Maths Day competition. This preparation will assist selection of a possible team. In addition, there will be a guided tour of one of the caves.

**COMPETITIONS**

- The Computational and Algorithmic Thinking (CAT) competition (formerly the Australian Informatics Competition AIC) will be held on Tuesday March 25th 2015. This is a competition that is ideal for those mathematics students who enjoy solving puzzles.
Students who are interested in entering should see Ellie Filler in the Maths staffroom.

- The AMT Australian Maths Competition will be held on the 30th July 2015. We have already had many interested sign up to participate. If students wish to enter, they should put their name on the signup sheet outside the Maths staffroom.

**GOOD NEWS**

We were very pleased to have Jenny in Year 12 selected to attend the National Mathematics Summer School in January. Jenny is writing a summary of her activities at NMSS for the next newsletter.

In addition we were pleased to have Jack in Year 11 invited to participate in the Mathematics Olympiad. It is a highly selective competition: only 100 or so students from all of Australia are invited to enter. We wish Jack well in this very challenging competition.

Taneile Harris

---

**FRENCH BAC NEWS**

**YEAR 11 NEWS**

We welcome the new classes of year 11 students at Narrabundah College. This year, we have 13 students in the scientific stream and 4 students in the literary stream.

Year 11 students are going to take part in the contest “Olympiades de Mathématiques” on Wednesday, 18 March.

**YEAR 12 NEWS**

The web portal Admission Post Bac has been made available on 20 January. It is now time for the students who are considering taking tertiary studies in France to register on line at the address http://www.admission-postbac.fr. Students have to enter their choices by 20 March. A presentation on this matter was made to the parents and the students on 12 February. If you were not able to attend, the document is still online on our website homepage (http://www.lyceefrancoaustralienefs.org).

The students have just received the official Baccalauréat timetable. As in previous years, they will sit their exams in Sydney at the Lycée Condorcet from Monday 15 June to Thursday 18 June. If you have not received the calendar yet, please contact me (math.teacher.canberra@gmail.com). Please be aware that all accommodation for the week of the tests in Sydney have to be booked by the parents. We suggest the hotel “The Centre” in Randwick. It is very convenient and for the past years a majority of the students chose to stay at this hotel. However, the students can stay at the place of their choice. As in previous years, if some parents/guardians could make themselves available and stay a couple of nights with the students at the hotel, it would certainly contribute to reduce the stress of the students. An email will be sent in March to gather information about the people who will be able to accompany the students.

**YEAR 12 STUDENTS’ EXCURSION TO SYDNEY**

It is now a tradition for the year 12 students to participate in a cultural excursion to Sydney. This year, accompanied by their teachers Agnès Boutraud and Eric Dostal, they left Canberra for two days on the 15th and 16th of December. They took a guided tour of the Australian Museum and the National Maritime Museum. They also visited the French School of Sydney (Lycée Condorcet) where they will sit for their Baccalauréat exam in June.

---

**New teachers**

Véronique Barret in Physics and Chemistry, Jillian Erin-Agot in History and Geography teacher, Thierry Grenet in Math and Alexandre Buchin in PE are now teaching at Narrabundah College for the French Bac. They joined the Narrabundah team in February. We wish them all the best at the College.

**Miscellaneous**

Do not miss the Alliance Française French Film Festival between 6 and 25 March.

All the information on the dedicated website: http://www.afrenchfilmfestival.org

Eric Dostal, French Baccalauréat Coordinator

---

**SCIENCE NEWS**

Questacon is seeking nominations for the 2015 Student Training Programme for year 11 and 12 students.

Questacon – the National Science and Technology Centre will offer students experience in science communication, making public presentations, developing science activities, working in teams and customer service.

Students utilise their newly developed skills in the galleries through 40 hours of volunteering during the July school holidays. Students who successfully
complete the programme can count it as an R unit for their Year 12 certificate and are eligible to be a Volunteer Explainer at Questacon.

If you are interested see Rae in Science (Science staff room)

Nominations close 7th March 2015.

**ARTS EXCURSION**

Visual Art and Ceramics student have spent consecutive afternoons at the National Portrait Gallery this Session, in preparation for their first practical projects and theory tasks. Exploring a variety of themes including alienation, intimacy, transience, mortality and empathy, students spent time pondering selected works currently on display for *In the Flesh*, an exhibition celebrating the hyper-realistic works of 12 contemporary Australian artists.

Sam Townsend

Below, students marvelled at the *Pregnant Woman* by Ron Mueck, a larger than life depiction of a woman in the midst of labour. “Pregnant woman embraces and transcends her vulnerable state: she lifts her arms above her head, her belly as counterweight, and closes her eyes in her own safe place.” – National Portrait Gallery

**VISUAL ART**

Sydney, a year 12 student was selected as one of 16 students from around Australia – two from each state and territory – to participate in the National Summer Art Scholarship for one week in January 2015. The scholarship program offers an opportunity for students to engage with the staff at the National Gallery of Australia, as well as other arts professionals, artists and peers from around Australia.

As part of the application process Sydney submitted a pencil drawing and in her written response discussed the importance of considering our surroundings, listening to our natural environment and re-establishing the spiritual connection when working with and not against nature. Sydney has described the experience as.. "It has been a long couple of days since the conclusion of the National Summer Art Scholarship 2015. Not one day has passed where I don’t reminisce on the incredible week I have experienced, and wish dearly that I could go back in time and relive it all over again.

I was provided with a truly once in a lifetime opportunity. I spent 7 days in an intensive program of art workshops, tours and activities with 15 other likeminded Year 11 students from around Australia. I learned so much throughout the week, had so much fun, and met so many wonderful people - it was by far one of the greatest experiences of my life.

This program was extremely rewarding and beneficial in a macrocosm of ways, and has opened so many new doors for me. From visiting breathtaking exhibitions at the gallery and working with renowned artists around Australia, to learning about printmaking, as well as digital art and animation; each workshop was captivating, and helped me develop my creative and professional skills.

I am so thankful to have gotten the opportunity to participate in the National Summer Art Scholarship. The experience was absolutely amazing, and is guaranteed to help me in pursuing a future career in the visual arts!"
HUMANITIES NEWS

2015 brings 2 new teachers to our Humanities staffroom. Gareth Rees and Anda Weir are taking Psychology classes for this session and we welcome them back to the school. All students have settled well into their classes, learning new concepts and are getting ready for their first assessments. We have had a number of guest speakers already: Todd Wright from Threesides Marketing, and David Penbrooke from Content Group, spoke to the Public Relations class, and the Domestic Violence Crisis Service presented to our Sociology classes. Our Introductory media class are off the Museum of Democracy on Tuesday to see the “Behind the Lines” exhibition and discuss issues of freedom of speech. We also have Year 11 filmmaking team entered into Lights Canberra Action, with a deadline for their film of 30th Monday. Business and Economics students can register for the ASX Stock Exchange Competition, with registrations closing on the 10th March. Year 12 Business students can participate in the UNSW Business Competition which requires a $6 entry fee. Stephen Matley provide details of payment to Front office and registration. The competition takes place on Thursday 14th May. For any information on Humanities subjects or the many events that are now underway in this faculty, see either your teacher or Celia Stott SLC in the Humanities Staffroom.

Celia Stott

NATIONAL YOUTH WEEK 10TH – 17TH APRIL 2015

National Youth Week is an annual, weeklong celebration of young people (aged 12–25) throughout Australia. It is a joint initiative of the Australian, State and Territory Governments and Beyondblue. National Youth Week 2014 will be held from 10th – 17th April. Each year, all over Australia, events are planned and organised to celebrate and recognise the contribution of young people.

Promoting all things youth oriented, will be our regular “NBC Radio” show hosted by Matthew, Glynis, Dorothy, Isobel, Grace, Karl, Antonia, along with Corey, Brad, Warid, Richard, from Canberra College. The show is on from 6 – 8 pm Saturday nights on 2XX 98.3. This year will be celebrating our 3rd year on air with our NBC radio party “Pop Up Live” at the Griffith Community Centre. This FREE event is open to all students and family. Come along and join us on the 11th of April from 2 – 10pm with plenty of music, poetry, photography, films, conversation, and of course RADIO. We had a great time last year so come and join us in 2015.

GEOGRAPHY

On Thursday, 26 February, the Year 11/12 Geography students conducted “Research into the human impacts on Minnamurra Rainforest”.

Rebecca Guinane

UNYA

UN Youth ACT Territory Conference is a three day conference from Friday 20th to Sunday 22nd of March 2015. Territory Conference brings together 100 students in years 9 to 12 from across the ACT and regional NSW for a weekend of workshops, model United Nations debates (MUN) and general discussion focused on international and current affairs. The conference is a fantastic opportunity for students to strengthen their speaking and diplomacy skills and also make heaps of friends!

Registrations are now open at https://unyouth.org.au/event/act-territory-conference/

Gabriela Freeman, Narrabundah College (graduated 2014)

FILM MAKERS AND ACTORS WORKSHOP WEEK 10 SESSION 1 2015

Students have the opportunity to undertake an intensive filmmaking workshop with Clare Young or Rose Ricketson or Clare Young Films.

Clare has extensive filmmaking experience from short films through to television: Her recent work:

- “Top of the Lake” Assistant Director Ep 1: 2013
- “From the Bottom of the Lake” Documentary 2013. While working as Jane’s assistant, Clare had privileged access to Campion and her collaborators on the mini-series Top of the Lake that features international stars Elizabeth Moss, David Wenham and Holly Hunter. This is a rare and intimate portrait of Jane Campion and her unconventional approach to writing, rehearsal and filming.
- “Eyes Down and Welcome to Hay” – Documentary 2007, along with many crew and editorial credits.

Clare has recently completed shooting her latest film “Love Forever” which is now going through the first edit. See the link below,

Pictured from left, Clare Young writer/director, actors Hannah McKenzie, Beau Cram, and Producer Rose Ricketson, at Avalon Surf Life Saving Club.
To apply for the workshop (dates to be confirmed) you will need to be available for 2 days during week 10. This may count for SWL or WEX points also.

Please see Celia Stott or Amelia Ghirardello in Media S13 or Humanities for more information.

This is a **Great** opportunity for both year 11 and 12 students who want to learn more about the filmmaking process from 2 very experienced professionals.

---

**VOCATIONAL EDUCATION**

Narrabundah College has an inclusive curriculum that values vocational courses. The College is scoped to deliver a range of vocational courses leading to industry qualifications at Certificate I and II levels, with capability to facilitate the acquisition of Certificate III levels.

Students can combine Work Integrated Learning with traditional programs of study, including working toward a Tertiary package with a VET component, as well as undertaking study in an accredited package with a VET component. These pathways are encouraged to provide students with a wider range of options, post-college.

Narrabundah College is scoped to offer the following VET courses:

1. Business Admin
2. Information Technology
3. Fashion and Design
4. Media
5. Furniture and Timber

Students may also pursue VET studies through an external RTO and have points awarded to their Year 12 Certificate for those studies. This may take the form of undertaking Certificate II or III studies or completing an ASBA (Australian School-Based Apprenticeship) with another RTO.

---

**STRUCTURED WORK PLACEMENTS**

Many VET courses within the College require SWL as a core component that contributes toward the successful completion of a qualification. SWL is generally broken into blocks of hours that students must spend in a workplace to demonstrate achievement of learned competencies in an industry context. This session we are taking requests from students who wish to go out to industry in Week 10.

Students may go out to a range of employers. Our employers are very supportive of our students and many have been with us for a long time.

EOR Media – animation, Adcorp, BMA, Academy of Interactive Entertainment, Design D, Zoo Advertising and ANU, just to name a few.

Media students also gain points with the weekly community radio show NbC radio on 2XX. This has been broadcasting for over 2 years and is a great opportunity to hone communication and organizational skills. (See the attached article on Youth Week)

---

Students in other areas will have in-school opportunities to gain these skills, as well as a week in employment.

Students undertaking SWL will receive 0.5 points on successful completion and competencies towards their certificate. If your son or daughter completed a voluntary job at the recent Multicultural Festival or have signed up for the National Folk Festival this also counts as SWL. Bring your roster sheets to Celia for validation.

For more information on VET courses at Narrabundah College please see Celia Stott or Glenda Nimmo. Please check the College website and Facebook page for more information.

Celia Stott

**VOCAATIONAL EDUCATION FACT SHEET FOR STUDENTS AND PARENTS**

Narrabundah College RTO 88013

Unique Student Identifier (USI)

From 1 January 2015 the Australian Government requires all students undertaking vocational training (VET) to have a Unique Students Identifier (USI). This 10 digit number and letter identifier will allow students to access their VET training records and results as a transcript from 2016 and beyond from their online USI account. Students often need to provide evidence of their academic achievements when applying for a job or to undertake further study so it is important that all students apply for a USI this year.

In order for your USI to be entered into the Narrabundah College MAZE system, please follow the guidelines at:

watch the Unique student Identifier video

[https://www.youtube.com/watch?v=HRYaaF-B7Ho](https://www.youtube.com/watch?v=HRYaaF-B7Ho)

then generate your own USI

Once done fill in the USI permission form, either on the website, from your teachers, or from the Front Office and return.

**Keep your USI at home, in a safe place for further record keeping.**

If you need any assistance or have any questions please contact

Celia Stott SLC Humanities/ Media Vet Co-ordinator

**NEWS FROM THE LIBRARY**

**THE LIBRARY MATTERS**

Thank you to all students and staff who contributed to a great start to the academic year in the Narrabundah College library. The library opened for student use on 2nd
February, welcoming our year 11 students and our new year 12 students. The following day the library was in full operation as year 12 students returned to study. Library staff commenced lending class texts as our first day of lending, the mini day commenced. In the following three days Narrabundah College students borrowed a total of around 5,500 texts to support their studies during the year. The library staff extends their thanks to all students and staff for their patience during this peak time in the library. Further we thank all returning students for bringing back the books that they borrowed last year. There are still a small number of students who still have books out from last year and we ask that these books be returned in the next few days.

Text books are lent based on the length of a session and become due at the end of each session’s examination period. Books lent for session 1 are due back on 31 March, books lent for sessions 1 and 2 are due back on 4 September and books lent for the whole year are due back on 26 November. Should a student change subjects or discontinue a subject the textbooks become due immediately after the change takes place. Just a reminder, all students must have in their possession their student ID card when borrowing. The student ID card contains their unique barcode number and personal photograph, the barcode number is scanned when books are lent, unfortunately we cannot lend books without a valid student card. Gold forms, which were accepted in the first few days of term 1 are no longer accepted for borrowing.

During weeks 2 and 3 library staff ran library orientation lessons for all year 11 students, EAP students, languages students and psychology students. We thank all students and staff who participated in these lessons for their attentiveness and participation. Library staff introduced students to the secure on-line E-Resources from the ACT Library Service and the National Library of Australia (NLA). All students are expected to access these on-line resources and are expected to obtain an ACT Library card and a NLA Readers Card, with PIN number. Cards can be obtained on-line and posted to the recipient. To obtain an ACT Library card go to www.library.act.gov.au, click on home, on the right of the home page look for quick links and then click on join the library, click on complete the online membership form, fill in the on-line form, write down and keep the PIN number that you have selected, click join and in 7-10 working days your card should arrive in your letter box. You are then good to use the ACT Library Service’s E-Resources. To obtain a NLA Readers Card go to www.nla.gov.au, click on get library card (towards the bottom of the screen), click on apply for card, fill in the on-line form, tick the box that reads ‘I agree to abide by the terms and conditions...’ and then click on post it. Your NLA Readers Card will arrive in around 7-10 working days.

STUDY HUB

Study Hub is a valued opportunity for students to study and use the library after school on Mondays and Wednesdays. The library remains open until 5.30 pm and students are free to use the library’s resources. Teachers are on hand to assist with tutoring and help in Maths, English and other subjects. Special workshops are run to assist students in their learning and these are promoted in the library and throughout the school. We encourage students to attend these valuable sessions. During the learning and examination (test) periods the library opens at 8.00 each morning. On Tuesdays, Thursdays and Fridays the library closes at 4.00 pm.

STUDENT IBOOK

The Student ibook has been fully updated for 2015 and has been distributed to all year 11 students and all new year 12 students. The updated version is also available on the College’s internet site. To obtain an on-line copy use the following web address www.narrabundahc.act.edu.au, click on our college and then click on Library from the drop down list, click on Referencing Your Work (Citation) and NC Library Study Guide and then click on Narrabundah College Library Study Guide. You can then download the guide to your computer, memory stick or mobile device or print the guide for study purposes.

The library draws your attention to pages 39-40 with reference to academic honesty and plagiarism and to the study guide on pages 51-70. The study guide gives practical advice on information literacy, referencing, research and essay writing. Further information and advice on plagiarism can be obtained from the Board of Senior Secondary Studies (BSSS) Web site. Use the following address http://www.bsss.act.edu.au, click on the home page, click on information for students (towards the top of the page), from the drop down list click on plagiarism information for students and read the page Plagiarism Information for Students. At the bottom of the page you can download the BSSS’s 28 page publication ‘What's plagiarism? How to avoid it’.

Malcolm Baker, Loraine Bryant, Robyn Hill and Jacquelynn O’Leary

HISTOKENGPOL
HAPPENINGS

[News from the English/History Department]

ENGLISH

On behalf of my staff I take this opportunity to welcome our incoming Year 11 students and to welcome back our Year 12s. We have been enormously impressed by the energy and commitment our students have brought to their studies so far. This was particularly in evidence at the Study Hub on Wednesday 18 February when some 250 students attended a presentation on essay structure and style from 4-4:45pm.

Most students have now settled into their Session 1 classes and first assignments are almost due. Year 12 students have submitted a detailed plan of their oral...
presentation to their classroom teacher and orals are in progress. We encourage Year 11 students to present a **full draft of their first essays**, along with any planning, to allow us to address any issues they may have with the fluency and clarity with which they express their ideas in essay form.

Staff volunteers will also be available for essay assistance at the **Study Hub** as essay due dates loom. **Hilary Brettell** also offers regular assistance with essay plans **upstairs in the library 2-3pm every Thursday** and from 4-5pm at the **Study Hub on Monday afternoons**. Sometimes students benefit from one-on-one tuition over a sustained period and we have a list of past students who are available as tutors. Please email or call and I will send you the list of students and their contact details.

We tend to reserve our excursions for the longer session, but **Winifred’s Aboriginal Narrative** class visited the National Gallery to enjoy a lecture tour on ‘Aboriginal Narratives through Art’. It was an eye-opening, challenging and sobering experience. We are so fortunate with the opportunities available in the national capital!

**INTERNATIONAL BACCALAUREATE ENGLISH & THEORY OF KNOWLEDGE**

We are also delighted to welcome our incoming **Year 11 IB students** who are adjusting quickly to the rich challenges of the IB curriculum. As this goes to print they are completing drafts of their first essays, a product of much enthusiastic debate and discussion in classrooms so far. Students gained a clear overview of assessment in English and Theory of Knowledge from this week’s IB Induction Day. Theory of Knowledge classes will commence for Year 11 at the beginning of Session 2.

**Year 12 IB TOK students** are gearing up for their essays and oral presentations and in this final unit, gaining a firm grip on that elusive IB concept of ‘knowledge questions’ which frame the TOK course. **TOK Essay drafts** for Y12 IB students will be due by no later than **1st May** to allow feedback before the final essay is due **June 9**. We are looking forward with great anticipation to the **TOK Oral Presentation Day on 12 March** when we take time out from the usual class routines to listen to our Year 12s applying the theory and ideas they have learnt in class to real-life issues. We are very impressed with the range of topics chosen this year and based on past experience of this day, students will show that they have indeed [to quote Marcel Proust] ‘travelled with new eyes’ through TOK!

**HISTORY & POLITICS**

Year 11 history and politics students have been fortunate to visit the National Library of Australia where they were given an introduction to the fantastic resources which the library has to offer. Students were introduced to the Trove collection, became acquainted with accessing procedures, the availability of e-resources and the many other facilities available. They toured the library right down to the stacks and met one of the many robots which delivers books to the reading areas of the library. The special exhibitions, The Treasures Gallery, and Keepsakes: Australians and the Great War offered possible topics for IB students to pursue for their Extended Essays or for their Historical Investigation. Thanks to Ben Pratten, the Education Manager, for such a useful and interesting orientation.

We hope your son or daughter is settling in well, but do let us know if there is anything we can do to facilitate the transition.

**Kind Regards, Anni Medway SLC English/History**

**NEWS FROM LANGUAGES/ESL**

**CHINESE CALLIGRAPHY CLASS WITH TAIWANESE CALLIGRAPHER**

Chinese language students were given the opportunity to perform traditional Chinese calligraphy under the instruction of a group of experienced calligraphers from Taiwan last Friday.

Each of us was given our own brush and paper, and was presented with a demonstration of a given Chinese character. We were the prompted to mimic the character ourselves. Though seemingly quite simple, calligraphy is a rather technically difficult art form. The way in which the brush is held, the amount of ink used, the pressure of the brush and its angle relative to the paper are all aspects one must develop an aptitude in in order to produce an even vaguely recognisable character. As complete novices, many of us (myself included) required repeated aid, though, thankfully were always obliged with smiles and even appraisal for our efforts.

Overall, this cultural Chinese session was a uniquely unforgettable and entirely enjoyable one.

Samuel, Year 11 student

INFORMATION SESSION FOR PARENTS

The National Disability Insurance Agency will be holding information sessions for parents at:

- Wanniassa School on Wednesday 4th March @ 6.00pm
- Mt Stromlo High School on Tuesday 17th March @ 6.00pm.

These information sessions are particularly targeting high school and college families, and staff. Information sessions for parents of children in primary schools will be held at a later date, HOWEVER, if it is convenient to attend the high school session there will be an NDIA representative in attendance to talk about the primary school rollout.

These information sessions will cover the complete process of applying for an NDIS package and what it means, information packages will be available and NDIA representatives to talk to.
Understanding Guardianship - the role of a Guardian for adults with a disability.

*CIT Skills for Carers* is partnering with The Public Advocate of the ACT to provide information to parents of children with disabilities who are turning 18 shortly.

Topics covered will include:
- The role of parent and the role of guardian - the tension and inherent challenges, and the need to distinguish between the roles of parent and guardian;
- Understanding the Guardianship Tribunal and the appointment of guardians by the Tribunal;
- The principles of guardianship based on the legislation;
- The role of guardians – what guardians can and cannot do; and
- How the Public Advocate undertakes its’ role.

**Facilitator:** Sue Houghton, Senior Guardian/Advocate for the Public Advocate of the ACT.

**Date:** Wednesday, 4 March 2015

**Time:** 12 noon - 2pm

**Cost:** Free

**Venue:** The Woden School, Deakin

Register by phoning CIT Skills for Carers on 6207 3628 or emailing carerskills@cit.edu.au

**Note:** ‘CIT Skills for Carers’ is a Home and Community Care (HACC) funded program that provides training for family or friends caring for an older person, a person with a disability or mental illness. Paid support/care workers are not eligible to attend this training.
