

## Careers.

All students are expected to join “Careers 2023” - Code: rdebsx4. If you were in the 2022 Careers Class, you need to now join Careers 2023 (it does not roll over). Careers 2023 is where information about careers, work experience, apprenticeships, jobs, university applications and enrollment procedures, scholarships etc. will be posted. Your membership is particularly important as some University Applications open very early in the year. There may also be other opportunities coming up that you may be interested in. If you are not a member then you are missing out on important information which may have an impact on your future plans.
